I stated that Many Hands International in all its activities work together well with the Cultural Section of Lautem Municipality which I lead. I declare and acknowledge that Many Hands uphold international child right convention and adopting comprehensive Australian child protection policy and against terrorism and heaving a counter-terrorism regulation that I have read and understood.

I support and cooperate with Many Hands International in providing services to the community. Many Hands International contributes to cultivating peace, prosperity and supporting the highest value to the diversity of cultures and beliefs in all aspects.
